Customised PhUSE Sponsorship Packages

Customise a package that suits your company's needs and budget. These packages can be built from any of the sponsorship options listed on page 1.

If required, the package can also be combined with either conference sponsorship or a conference exhibition package (or both).

You can build a package around one of the conference days for maximum exposure on that day, or combine sponsorship of the conference with one of the less formal networking opportunities.

Pricing for these packages will be dependent on the options selected. Packages with a total cost of more than €5,000 will attract a package discount of 10%.

(Platinum sponsors will receive a 10% discount on additional sponsorship items only; no discount will be given against the (€20,000) cost of Platinum Sponsorship).

Examples:

Conference sponsorship (€3,750) + conference exhibition (€4,750) = €8,500 minus 10% = €7,650

Conference exhibition package (€4,750) + Monday evening event (€7,000) = €11,750 minus 10% = €10,575

Platinum sponsorship (€20,000) + conference pen sponsorship (€1,000) = €21,000 minus 10% = €20,900 (discount only applies to the additional item e.g. conference pens €1,000)
